RESOLUTION 309168

A RESOLUTION requesting the Executive work with the Roosevelt neighborhood to develop and submit a work program consistent with the recommendations in the Roosevelt Neighborhood Plan Update.

WHEREAS, in 1994, the City of Seattle adopted a Comprehensive Plan calling for the development of neighborhood plans for urban centers and villages; and

WHEREAS, in 1999 via Ordinance 119525, the City Council incorporated certain goals and policies of the Roosevelt Neighborhood Plan, "Tomorrow's Roosevelt", (the Plan) into the Comprehensive Plan for the Roosevelt residential urban village and recognized the Plan in Resolution 29924; and

WHEREAS, the Roosevelt neighborhood determined it was necessary to update the Plan to account for the siting of a light rail station in the neighborhood, the renovation of Roosevelt High School, and the northward expansion of the Neighborhood Planning Area; and

WHEREAS, the Roosevelt Neighborhood Association formed the Neighborhood Plan Update Team and, with Neighborhood Matching Fund support from the City, conducted surveys and held a series of community meetings; and

WHEREAS, the Roosevelt neighborhood plan update process resulted in revised goals and policies that the City Council adopted as the Roosevelt Neighborhood Plan component in the City's 2006 Comprehensive Plan; and

WHEREAS, the proposed Plan update should be accompanied by a work program to guide the City's response to the recommendations in the Plan update and to identify implementation actions to be factored into future work plans and tracked over time; and

WHEREAS, the work program should be modeled after the "Approval and Adoption Matrix" adopted by the City as the structure for acting on and monitoring implementation of the neighborhood plans; and

NOW, THEREFORE,

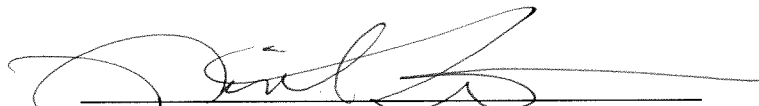

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE:

Section 1. The City Council requests that the Executive submit a work program for the Roosevelt Neighborhood Plan Update for review and adoption by the Council no later than July 31, 2007.

Section 2. The work program should be developed with the Roosevelt neighborhood and the City departments responsible for programs or actions related to each recommendation and consist of the following items: An explanation of the key strategies in the Plan and a numbered list of recommendations for implementing each strategy, a numbered list of other recommendations in the Plan, the community's priority for each recommendation, the party responsible for implementation of each of the recommendations along with a comment and a response for City action, if applicable, and a timeframe for implementation .

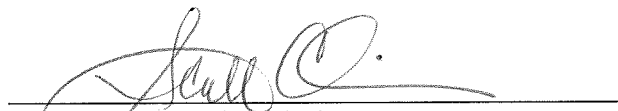

Section 3. The City Council intends to recognize the Roosevelt Neighborhood Plan Update after the Executive has submitted the work program described in Section 1.

Adopted by the City Council the 26th day of March, 2007, and signed by me in open session in authentication of its adoption this 26th day of March, 2007.

Legislation Title:

A RESOLUTION requesting the Executive work with the Roosevelt neighborhood to develop and submit a work program consistent with the recommendations in the Roosevelt Neighborhood Plan Update.

• **Summary of the Legislation:**

This legislation requests that the Executive work with representatives from the Roosevelt neighborhood to develop an "Approval and Adoption" matrix consistent with the newly updated Roosevelt Neighborhood Plan.

• **Background:**

The Roosevelt neighborhood determined that it was necessary to update their Neighborhood Plan once a site for a future light rail station was selected. The Roosevelt neighborhood submitted an updated plan, but it was not accompanied by an Approval and Adoption matrix. An Approval and Adoption matrix indicates when strategies in the neighborhood plan will be implemented and what city agency, if relevant, will be the lead.
